PCC 17 CHURCH CAMPUS

We were thrilled to jump back in to our Friday services!!

We were encouraged to welcome 3 new guests and are making it a priority to follow up with them outside of church, with a focus on building genuine friendships and community

Our desire is to continue reaching new people, creating opportunities for everyone to grow spiritually and become more involved in the church.

We are working on innovative outreach initiatives, including a Serve Day and Community Friday, to build meaningful connections in the 17th arrondissement!

CITYGROUP FAIR

CityGroups always bring people together across Pairs. This semester we will continue to lead evangelism, Bible studies, and Baptiste will help with a men's group. Our recent CityGroups Fair highlighted the different groups available, including a cooking group, ladies' prayer, youth, and young adults groups. Isolation is a real challenge for many people in Paris, and these groups allow for us to follow the steps of the first church as we gather house to house.

BIBLE STUDIES

We have resumed our Bible Studies with 5 currently ongoing. We have also been able to encourage and empower others to start teaching Bible studies as well!! It is encouraging to see people hungry to learn more about God's Word and grow in their faith. We are excited to see what God is doing in their lives and look forward to seeing how they continue to grow!

PCC PICNIC

Our annual PCC picnic is always a great way to kick off the back-to-school season! Before busy schedules take over, we enjoy taking a moment to reconnect, catch up after the summer, share good food, and spend time together. It's a wonderful opportunity to strengthen friendships and enjoy being together as a church family.
