

Thank you to everyone who continues to pray, give, and stand with us. Your partnership makes it possible for us to be here, and we are so grateful to have you with us on this journey!

SEPTEMBER

September has been a month of new beginnings for our family here in Madagascar! This month, Jared had the opportunity to begin teaching at the Bible school, which has been a special blessing for us. At the same time, both of us began Malagasy language studies. Learning a new language is certainly a challenge, but we are excited to grow in our ability to communicate and connect with the people God has called us to serve. We are thankful for every opportunity to learn, teach, and become more involved in the work here

Throughout the month, we were also blessed with several wonderful services and ministry opportunities. One of the highlights was an incredible children's event where 165 children received the Holy Ghost! It was such a beautiful reminder of why we are here and how important it is to reach the next generation. We were also grateful for some special fellowship with our SPM media team at a picnic. These times of fellowship and ministry have allowed us to build relationships with fellow workers while continuing to see God move in Madagascar.

As we look ahead to October, we are excited about what God has in store. We are preparing to travel to Seychelles for a conference, where we will have the opportunity to spend time with missionaries and leaders and be involved in the work across the Indian Ocean Islands. We are looking forward to seeing what God will do and to continuing to learn, serve, and build relationships throughout the region.
