AMP to Uruguay

Then said Paul, John verily baptized with the baptism of repentance, saying unto the people, that they should believe on him which should come after him, that is, on Christ Jesus. When they heard this, they were baptized in the name of the Lord Jesus. - **Acts 19:4-5**

In October, we began a four-part sermon series on the book of Acts at the church in San José. Each week, we identified and analyzed the core tenets of the apostles' doctrine and how they spread the gospel across the ancient world.

It was during this month that a lady in our church made the decision to be baptized in the name of Jesus Christ. She had been baptized as an infant but now felt the need to ensure that the name of Jesus was applied to her life through baptism.

Along with the multiple baptisms and new souls entering the church, we've also seen great spiritual development among the congregation. God is doing a work in San José de Mayo!
