Serving in Brasilia, Brazil

November Newsletter 2026

Dear Friends and Ministry Partners,

Greetings from Brazil! We are excited to share what God has been doing through the ministry here in Brazil during the month of October. It has been a busy and rewarding month filled with opportunities to minister, encourage others, celebrate milestones, and witness firsthand the power of God working in people's lives.

One of the highlights of October was participating in the celebration of 30 years of ministry in our Brasília Federal District. What a blessing it was to gather with our district church family, celebrate God's faithfulness, and recognize the many years of sacrifice and dedication that have gone into building the work of God in this region.

October also provided several opportunities for us to serve and minister in different churches. Genessa attended our national church's women's conference in Rio De Janeiro. She also had the privilege of ministering at our IPUB Lírio do Vale Church in Manaus, where she was one of the speakers for the Ladies Conference.

The following week, we traveled to the state of Amazanos to the city of Manaus. Between the two of us, we spent nearly two weeks there ministering in revival services. The conference (Congresso) theme was "Move in the Spirit," and that is exactly what happened! We experienced powerful services, tremendous altar moments, and a genuine spiritual hunger among the people. God moved in a special way, and we witnessed a breakthrough as people responded to the message and the presence of God. As a result of these services, 12 people were baptized in the name of Jesus! One particular baptism deeply touched our hearts. A man was so convicted and determined to be baptized that he stepped into the water wearing his jeans and watch. He had not even thought about taking them off! His desire to obey God was greater than his concern for his belongings or what he was wearing. Moments like these remind us why we answered the call to missions.

In addition to ministering in Manaus for nearly two weeks, we also had opportunities to minister at our church in Itapoã and at our church in Valparaíso, where I shared a message during one of our district pastors' missions services. We are thankful for every opportunity to encourage local pastors, strengthen congregations, and help advance the work of God. In addition to all of this, my wife and children were able to attend General Conference.

Your partnership helps us continue serving churches, encouraging pastors, reaching communities, and investing in the next generation. Please continue praying for our children’s education and our transportation need. Pray for revival throughout Brazil, for our national church leadership, for pastors, and congregations throughout Brasília and Goiás. We are grateful to be here, and we are excited about what God has ahead!

With love and appreciation,

Marlon & Genessa Gayle
Missionaries to Brazil (Associate Missionary Program)
"Only what we do for Christ will last!
