BUILD A ROOM

This past October, we were blessed with a quick visit by our head missionaries, Revs. Mark and Glenda Alphin, who are currently in the U.S. on deputation. They, along with Rev. John Hemus, joined us for this year's Build a Room prayer seminar. This year's topic was "Victory from Shame." Sessions covered how shame affects our relationships with both God and others and the need for forgiveness. The teaching was impacting; times of prayer were deep and God brought healing and deliverance. Many walked away lighter and full of joy. God is so good to us; we are thankful for all that He is doing here in Finland!

Prayer requests:

- *The Alphins' deputation: That God would provide the necessary PIMs and projects swifly so that they can return to the field*
- *The Finnish church: For clear vision and wisdom for planning the next year; for open doors for new Bible studies and discipleship opportunities*
