THE MCCANN'S NEWSLETTER

The Lord's mercy endureth forever! We saw a mighty move of God across leaders of Asia!

Much of the beginning of the month was spent preparing for our travels to Thailand, where we had the privilege of participating in two Apostolic conferences. Though both conferences were held in the same country, each had a distinctly different feel, and we witnessed the Lord move mightily in both!

Chiang Mai, Thailand

Our first conference took place in Chiang Mai, Thailand, where believers from across the Thai church gathered for a time of worship, preaching, and spiritual renewal. This conference was particularly evangelistic in nature, with an emphasis on strengthening and encouraging a growing Apostolic church. We rejoiced as precious souls received the baptism of the Holy Ghost, others were baptized in Jesus' name, and many experienced the miraculous power of God!

Bangkok, Thailand

Following Chiang Mai, we returned to Bangkok for an International Apostolic Conference, where missionaries and church leaders from across Asia gathered, representing upwards of 20 nations.

What took place in Bangkok is difficult to adequately put into words. Unlike the evangelistic emphasis of Chiang Mai, this conference was marked by an extraordinary depth of spiritual ministry. From the beginning to the very end, there was a remarkable intertwining of prophecy, dreams, visions, and tongues and interpretations. Prophetic words were given, confirmed, and even fulfilled during our time together. The Lord spoke clearly and distinctly, bringing direction, confirmation, and a renewed sense of urgency for the work that lies ahead across Asia.

I left Bangkok more convinced than ever that the coming of the Lord is near and that we are standing on the threshold of an unprecedented Apostolic revival across Asia!

Family Day, Thailand

After much ministry in Thailand, we took the kids out on an excursion to a local animal park, where they road elephants through the river, pet tigers, and held monkeys and baby crocodiles.

Bangkok Cont.

On a personal level, the Lord also gave us clear direction concerning our family's life and ministry in the days ahead. Katie and I rejoice in the plans of the Lord and look forward with great expectation to all that He has prepared for us!

Back to Dhaka

After returning home, we quickly resumed our regular ministry responsibilities. We continue teaching at the Bible school, ministering in various capacities throughout Bangladesh, participating in music ministry, and investing in the young adults of the church.

THANK YOU!

We have seen and witnessed the fruit of your prayers in our lives. Thank you for your faithfullness. God's blessings be upon you!

We love you all!
—The McCanns

Kitt & Kerrigan

Our greatest joys continues to be watching our children grow and develop their own relationships with the Lord. Kitt made a decision that made us particularly proud. Our children enjoy listening to Tonies, little screen-free audio figures that play stories. Kitt had two Moana Tonies that he recently decided, entirely on his own, to throw them in the trash. His reasoning? They talked about death and darkness, and he didn't believe that was something an Apostolic boy should be listening to! And he never went back to retrieve them!

Praise Reports & Prayer Requests

- THIRTY-FIVE received the Holy Ghost in Chiang Mai, Thailand
- THREE were baptized in the only saving name of Jesus in Chiang Mai, Thailand
- SEVEN received the Holy Ghost in Bangkok, Thailand
- FOUR were baptized in the only saving name of Jesus in Bangkok, Thailand
- MANY healings were claimed in both conferences
- FIVE were baptized in the only saving name of Jesus in Savar, Bangladesh

- For our Khulna revival services (November 5th-9th)
- For continued revival throughout Asia
- For our Bible college students and Young Adults
- For our children and family to find continued joy and purpose
- For our travel back to the USA in December.
