

Greetings in Jesus Name!

The beginning of the month of October was a great Sunday of fellowship with Pastor Jurgen Vlugman and All Nations Tabernacle in Nieuw Nickerie, Suriname. It is always a joy to be in service with the people and ministry of Nieuw Nickerie. We were happy to see Sister Joyann in her first service back from gallbladder surgery. After a lovely service in Paramaribo, our family traveled to Guyana for our visas. The work on Camp Jubilee, UPC Guyana's first ever campground, began with reclearing the land where the Tabernacle will reside. An enjoyable time of work and fellowship as the work continues to develop in God's kingdom. It is exciting to think of the souls that will receive the Holy Ghost in these campgrounds. The following Sunday we were blessed to be apart of the harvest service in All Nations Tabernacle Georgtown, Guyana. These are beautiful moments where we thank the Lord for his many blessings and a share the fruits of the natural harvest to each other. We returned to Paramaribo saddened. Sister Carla Zunder passed away while we were in Guyana. She was a constant pleasure to be around and a wonderful worship leader. Sister Carla has gone to meet her savior at age 65. We are grieving the loss of a exceptional saint, mother, and friend, but we rejoice in her receiving her reward. Please pray for her family as they navigate this difficult time. God bless!
