PIO'S IN THE PACIFIC

October 2026

Associate Missionaries (AMP)

Great is the Lord!

Looking back over the month of October, the Bible School year has come to an end. The graduation ceremony will be held in December at the General Conference here. We have been so excited to see the work amongst the Filipinos of Fiji! Our Saturday Night Bible Study has continued to grow, Praise God, and our last bible study we had 9 Filipinos along with 3 Solomon students and 5 Fijians. There is great hunger for more of God in all nationalities. Please continue to pray for a multicultural revival among the churches here in Fiji. It was awesome to have and meet many visiting ministers and their wives who preached in many of the conferences held here in October.

Thank you for your prayers and continued support.
