ALICIA & BAPTISTE IN PARIS

OCT. 2026 AIM NEWSLETTER

LIGHT IN DARKNESS

Over the past month, Paris and other parts of France have experienced significant unrest, with riots and looting creating an atmosphere of tension, fear, and uncertainty.

We are so thankful for everyone who has reached out to check on us! We want to reassure you that we are safe and doing well. While the images and videos that are circulating in the media can be alarming, we are grateful that, with a little wisdom and caution, we've been able to continue our daily lives with very little disruption.

Yet, even in the midst of all this unrest, we believe there is an opportunity for God's light to shine even brighter. In a time when so many are searching for stability, security, and peace, our prayer is that hearts would turn toward Jesus and discover the lasting hope and peace that only He can give. God is still moving, and His Church has an important role to play in bringing His hope to this nation. We ask that you continue to pray for Paris and France!!!

Spreading Encouragment

While protests were taking place on one side of the city, we shared messages of hope and peace on the other. We prepared small cards with Bible verses about peace, provision, protection, and love, and went out into the community, with the simple goal of bringing a little joy and encouragement to someone's day.

ALL NATION SUNDAY

All Nations Sunday is one of the most exciting weekends at Paris Centre Church! With over 35 nations represented in our church family, it was a beautiful celebration of the diversity and unity we share in Christ. From traditional clothing and delicious food from around the world to worship and prayer in many different languages, it was a wonderful reminder that although we come from different nations, cultures, and backgrounds, we are united as one family in Jesus! We also were able to raise 22 000 euros for missions!!!

PEOPLE OF PARIS

Paris Centre Church recently launched an exciting new project called The People of Paris, sharing the powerful testimonies and personal stories behind the faces of our church family. Baptiste was honored to be among the first to share his testimony! Through this project, the hope is to reach beyond the walls of the church, using social media to encourage others and show how God is transforming lives right here in Paris.
