Madagascar / Indian Ocean Islands

Jared & Tiffany Richardson

October has been another wonderful month filled with opportunities to serve and grow! We have continued attending and working with local churches throughout the area, building relationships and being involved in the work of the ministry. We also had the opportunity to host a campus ministry meeting, which was a special time of connecting with students and encouraging them in their walk with God.

Jared has continued teaching at the Bible School, and we have both continued our Malagasy language studies. Learning a new language has certainly been a journey, but we are thankful for each opportunity to grow and become better equipped to serve the people around us. One of the highlights of this month was traveling to the beautiful island of Seychelles to minister at a conference. It was a blessing to be part of what God is doing throughout the Indian Ocean Islands.

October

As we look back on another month, our hearts are full of gratitude. Thank you to everyone who continues to stand with us through your faithful prayers and support. Your prayers make such a difference, and we are continually reminded that we are not doing this work alone. We are so blessed to have you as part of this journey, and we look forward to all that God has in store!
