AIM to AUSTRIA

"For the promise is to you and to your children, and to all who are afar off, as many as the Lord our God will call." Acts 2:39

Arriving on the Field

Our family arrived in Austria on September 25, 2026 and we are so very honored, excited, and thankful to be here! During our first month we have seen God's hand leading us to people and blessing our endeavors. We spent the first few days in Vienna with supervising Missionaries, Bro. James and Sis. Harmony Pace, and The Church of Acts Vienna.

Then, we made our way to our home base of St. Pölten. This city is about an hour west of Vienna and has a population of 60,112 residents. Our purpose here is to be a continual prayerful apostolic presence, create opportunities for meeting those with a hunger for God, and facilitate Bible Studies when needed. God has already created opportunities for us to befriend and connect with those around us in the city!

Outreach in St. Pölten

For over three years, COA has sent a group of saints from Vienna to St. Pölten every month for outreach. This is part of the **Bis Feldkirch** vision cast by Bro. Pace to establish preaching points/churches in all the major cities in Austria. God is blessing this endeavor and Graz and Linz have congregations meeting on Sundays. We believe God has big things in store for St. Pölten! We joined up with Team St. Pölten for outreach/prayer. On the first day God led us to a young couple that we are excited to meet up with again!

We are looking forward to what God does during our outreach day this weekend. Please join us in prayer for the souls of St. Pölten: for open hearts and open doors of conversation.

Ministry Opportunity in Vienna

What an honor to teach Sunday school and preach at COA in Vienna! We are so thankful to join COA every Sunday for service and fellowship. Please follow us @TeamRileyMissions on Instagram or @SarahRiley on Facebook for more information throughout the month.
