

BAMBOUS CRUSADE

We had a powerful meeting at Poste de Flacq this month. We believe that God is stirring things up in this region of Mauritius in preparation for what's to come next! Please continue to pray for the people of this region as God begins to open the doors!

BELLE ROSE

There was an incredible service this month at Belle Rose! We believe that many lives were touched as God imparted some things in our spirits! We are proud to report that they have begun having services twice a month on Sundays and one Wednesday a month!

September was a crazy month filled with lots of change and busyness! As we prepare for the birth of our next baby, we feel led to return to the states and have her there. To wrap up this month, John had one final Men's retreat and we had a wonderful last hangout with the youth. We hope to return to the field shortly, but as God wills and where He desires for us. Please keep us in your prayers as we believe God is continuing to work in us, where He wants us. We believe that change is coming and all we can say is "Yes, Lord!"
