Welcome to PNG! We were warmly welcomed by the Ladies Choir in Goroka! The whole compound turned out to celebrate and show us their heartfelt welcome for coming to bring the Word of God and to work inside this beautiful Bible college compound! The years and generations of hard work that has preceded us through the Carver family are so evident in the way these beautiful people worship and live! Not to mention the great care that is put forth in the upkeep of this beautiful campus! The excellence of their leadership is evident everywhere you look!

As we began teaching Bible College classes, the Holy Ghost fell on our first day of teaching and 4 men of PNG were baptized in the Spirit! We were teaching child evangelism and Brother Thomas decided a demonstration of altar working for those in need would be the best method to reinforce their learning.

One of the young Bible students named Jack (pictured below) was filled with the Holy Ghost after Brother Thomas preached in Sunday service. Brother Thomas preached that you cannot let the fire on your altar go out!

One of the young ladies named Adessa was baptized in Jesus name after Sunday service as well. Her Sister had been witnessing to her about the Lord and is standing beside her in the photo.

The Lord is moving in PNG! Please keep the following needs in prayer:

We need rain! The right amount of rain that will fill the school water wells and stop our power outages; yet not so much rain to cause mud slides and death.

Jeremiah 14:22 Are there any among the vanities of the nations that bring rain? Or can the heavens give showers? Are you not he, O LORD our God? Therefore we hope in you, for you have done all these things.

Psalm 147:8 He covers the sky with clouds; he prepares rain for the earth; he makes grass to grow on the hills.

Psalm 135:7 He brings up clouds from the end of the earth; he makes lightnings for the rain; he brings out the wind from his storehouses.

Thank you all of our faithful supporters for continuing to make it possible for more souls to hear the gospel and for more lives to be changed by the Lord!
We greatly appreciate you giving that we may GO in Jesus name!
